

# HORSE & RIDER MASSAGE

Be at your best for your class or event! Enjoy the benefits of a massage session for both you and your horse. You have both schooled and trained diligently to be in the show ring today and deserve to be the best team you can. You have earned it! Book a massage on site with At Ease Horse Care and reap the benefits of massage to help supple, relax and calm your mind before you hit the arena.

To assist in stimulating the senses At Ease also has a selection of pure therapeutic grade essential oils. You may also be interested to learn about the new **At Ease Natural Scents Product Line** which is a **100% natural botanical personal care line developed for both horse & rider**. At Ease is now available to book barn and home parties which will include a demonstration on horse massage and other products for both the horse and rider. This promises to be a great event as there can not be possibly any thing more exciting than having a group of like minded people getting together who love their horses and want only the best for them!
